The first part of the paper discusses the importance of the study and the objectives of the research. It highlights the need for a comprehensive understanding of the subject matter and the role of the researcher in this process. The second part of the paper presents the methodology used in the study, including the data collection methods and the analysis techniques. The third part of the paper discusses the results of the study and the conclusions drawn from the data. The final part of the paper provides a summary of the findings and offers suggestions for future research.

The study was conducted in a systematic and rigorous manner, following the principles of scientific research. The data was collected from a large sample of participants, ensuring the representativeness of the findings. The analysis was conducted using advanced statistical techniques, allowing for a detailed examination of the data. The results of the study are presented in a clear and concise manner, making it easy for the reader to understand the findings. The conclusions drawn from the data are based on a thorough analysis of the results and are supported by the evidence presented in the paper.

The findings of the study have important implications for the field of research. They provide a new perspective on the subject matter and offer valuable insights into the underlying mechanisms. The study also highlights the need for further research in this area, as there are still many questions that need to be answered. The suggestions for future research are based on the limitations of the current study and aim to address these gaps in knowledge.

THE 1953

Mirror

This is it.

The following pages mirror the activities of the past school year by a combination of pictures and words.

The fading school year has brought both laughter and tears to seniors and underclassmen, alike. The members of the student body dearly cherish the memories of their old gangs, classes, and the good times that they enjoyed throughout the year.

Thus, the Mirror staff extends an invitation to you to gaze into the looking glass, portrayed by this book.

Miracle of a camera.

Dedication

'53 Salutes A Sportsman

The Senior Class of 1953 proudly dedicates this publication of the Mirror to Mr. Robert H. Moore, a graduate of Lock Haven State Teachers College. Mr. Moore received his Master's Degree in health at Penn State and is a teacher of that subject in this school. Not only has he served us in the classroom, but he has been our football coach for the past three years, spending many long hours on the football field strengthening our "offenses and defenses." Through his genial manner Mr. Moore has made many friends and won the admiration of the entire student body. May this dedication be a small token of the gratitude the seniors owe you, Mr. Moore.

Time And Efforts Toward Helping Us

The Joint School Committee is composed of eleven prominent business men without whose knowledge and experience the Punxsutawney Area Joint System could not function. The officers are George P. Grube, president; Norman Wetzel, vice president; Donald F. Kurtz, treasurer; and Frank T. Harl, secretary. Other members are Joseph R. Crissman, Harold Divelbiss, Edward C. Elbel, Arthur E. Kromer, Chester T. Kuntz, Clyde McConnaughey, and Charles H. Miller.

Another administrative officer is James T. Downie, superintendent of schools. It is his work to work with the joint school committee to operate the schools of Punxsutawney efficiently.

Nelson H. Boyd is principal of Punxsutawney High School. Mr. Boyd is responsible for various duties as principal and is in charge of all school functions.

Marvin B. Clark serves as assistant principal of senior high and also acts as principal for junior high.

Editors hard at work

The Mirror is published annually so that through it the happenings from September to June may be relived. Five competent staffs work together throughout the year to make this publication possible. The faculty advisors this year were Miss Miriam Cokely, who had charge of the Editorial and Clerical staffs, Mr. Marvin Clark of Photographic, and Mr. Thomas Wilson, head of the business staff. Bonnie Postlewait served as capable Editor in Chief and Ann Charles acted as Assistant Editor.

The Editorial staff is responsible for writing and proof reading. It is made up of Patty Baun, Carol Clark, Ed McLaughlin, Loree Means, Phyllis Neal, Bonnie Postlewait, Betty Roseman, and Bill Zacur.

The Clerical staff, headed by Ann Charles, has charge of the cuttings, identifying, and

mounting of all pictures. This staff consists of Patty Bailey, Audrey Brosious, Jim Caldwell, Ann Carrier, Bob Heitzenrater, Kay Marshall, and Margaret Pifer.

The Photographic staff, made up of Sutton Hamilton, Dorothy Clawson, and Barbara Smith, has worked hard to arrange and take all the pictures found in this book.

Shirley Gaul and Carol Wineberg, who make up the art staff, are responsible for all the artistic work of the Mirror.

The business staff, composed of Louise Todd and Patti Crescenzo, handles all money matters connected with the publishing of the Mirror.

The typing was done by Anna Travis, Joyce Vitello, and Shirley Lowry.

Help To Get Acquainted

TWIRLER'S CLUB... The principal aim of the Twirler's Club is to teach its members the fundamentals of marching and twirling. The club is sponsored by Mr. Roderick. Jean Albanito is president of this organization.

THE PAN AMERICAN CLUB This organization is very interesting because it explains the customs and habits of the people who speak Spanish. Mrs. Strachan is the faculty advisor. The officers are: President, Anne Elder; Vice President, Shirley Ma-teer; and Secretary-Treasurer, Phyllis Neal.

VARSITY CLUB This club is directed by Mr. M... The club's chief aim is to promote interest in sports. Active members are boys who have earned a letter in basketball, football, track, or volleyball. The officers are: President, Ralph Yenzi; Vice President, Bill Haire; and Secretary, Bill Zito.

G.A.A.... The group is made up of girls interested in indoor and outdoor sports. The sponsor is Miss Boyer. This club promoted the Physical Education Play Day this year. The leaders of the group are: President, Gwen Fullerton; Vice President, Rose Batina; and Secretary, Lorraine Shumaker.

CONSERVATION CLUB... This club, sponsored by Mr. Wilson, is composed of 106 ambitious members. The purpose of this group is to conserve the forests of the area. The club meets to help these boys. Their officers are: Dave Bell, President; Frank Toven, Vice President; Greg Smith, Secretary; and Randall McQuown, Treasurer.

LATIN CLUB... The Latin Club is composed of students who have an average of 90% or above in Latin. The club's activities included an assembly program, monthly business and social meetings and the annual banquet. The officers are: Joyce Hetrick, President; Dale Lee, Vice President; Allen Hoch, Secretary; Bill Zacur, Treasurer. Miss Cokely is the club sponsor.

Music

Lighten The Hearts Of All

The Music Department has maintained a high musical standard in the school and in the community. The high school band and choir are represented each year in county, district, and state concerts.

One of the most active groups in P.H.S. is the band. This group, under the direction of Mr. Roderick, was present at all the football games to help cheer the team to victory. In the spring, the band presented its annual concert.

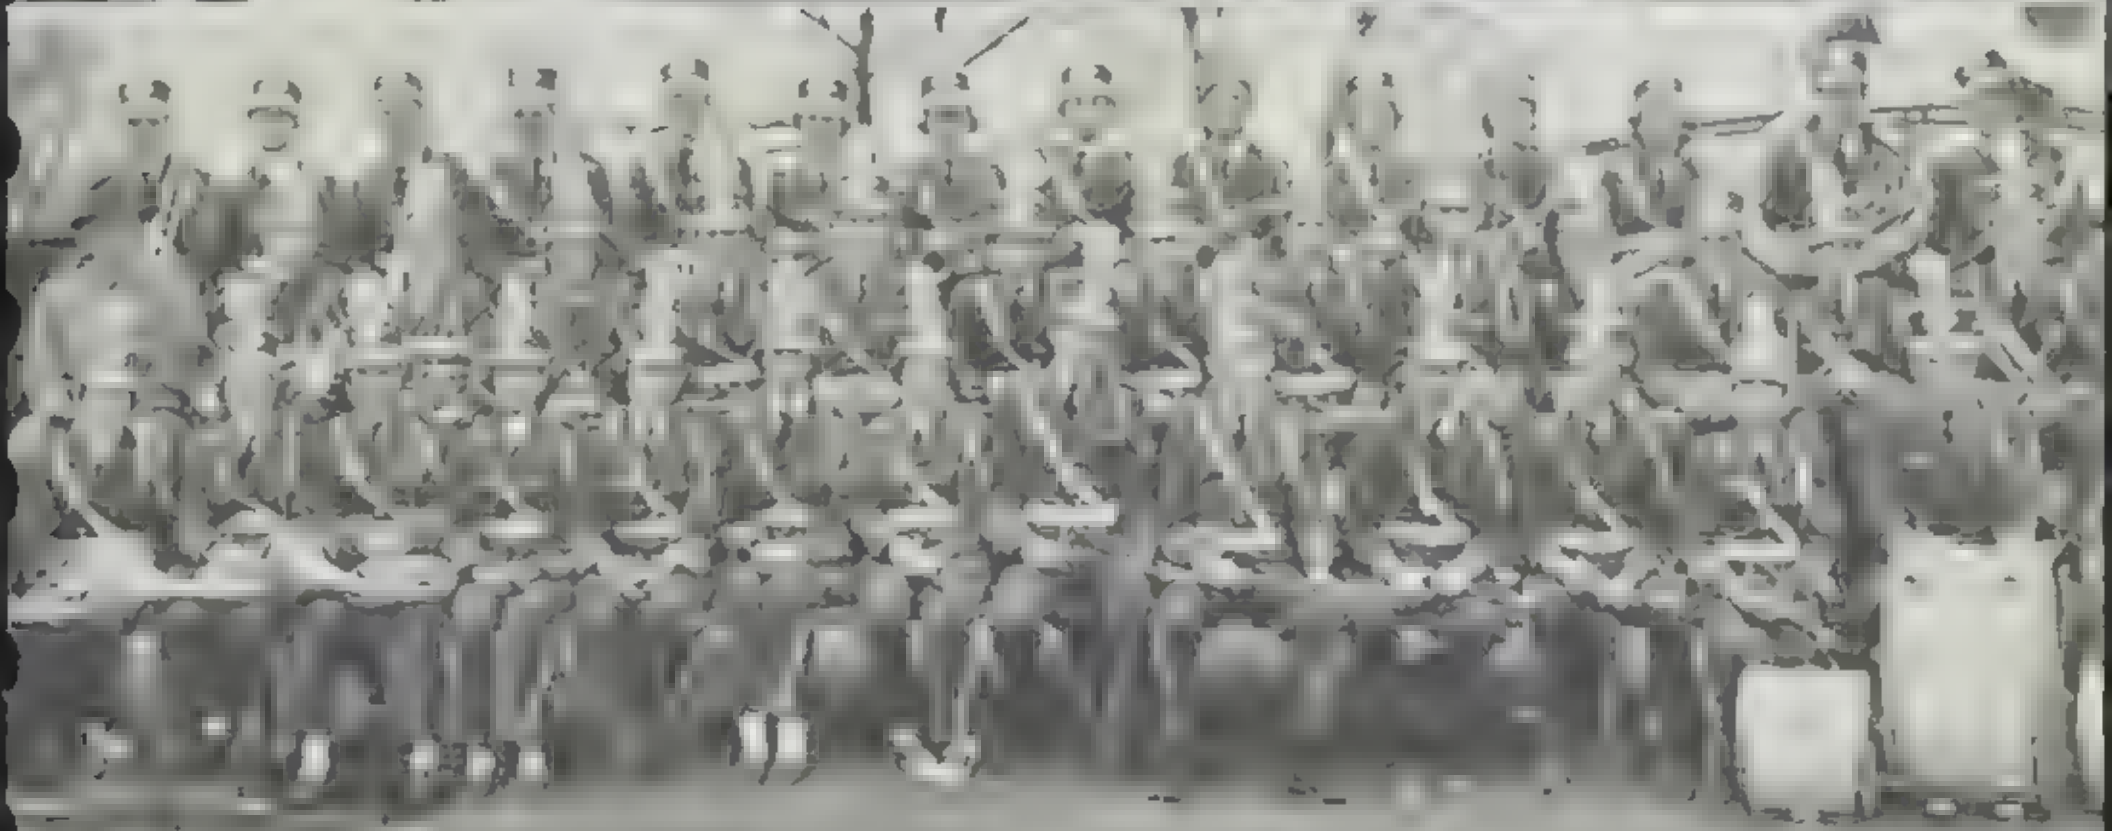

This year the High School Girls' Chorus and Sextette continued to maintain their high standing in both sacred and secular music. The choral groups under the direction of Miss Davis presented an impressive Christmas program and a spring concert.

Of The People, By The People, For The People

The Student Council, one of the busiest organizations in our school, fulfills the words of Lincoln, "Of the people, by the people, and for the people." One of the main things it accomplished this year was to set up a better friendship between Kittanning and Punxsutawney High Schools. Students from Kittanning came and talked to the assembly and some students from Punxsutawney went to Kittanning and talked to their assembly. The Council did its usual fine job in helping to keep our

school clean. It sponsored the contest between the buildings in the Cleanliness Drive. One of its jobs was to enlist students to sell at the football games. Many of the students showed their support of the organization by volunteering to sell. In order to receive the students' ideas and opinions the Council installed in each senior high home room a Suggestion Box which was collected before each meeting. The group also sponsored the school dances.

Hi-Lights

Extra! Extra! Read All About It!

Our school paper known as the Hi-Lights portrays our school activities and will remind us always of the highlights of our school year.

Under the guidance of Mr. Shaw the co-editors Mary Ellen Bell and Mary Jane Falger supervised these people as members of the staff: Sports Editors: S. Snyder, Frank Trunzo and James Barker. Feature Writer "Leave It to Levy." Bill Levy.

Reporters: Rose Barone, Nancy Ferringer, Phil Gach, Ted Gach, Ida Marie Kunselman, Ruth Levy, Shirley Lowry, Shirley McAndrew, Shirley McGee, Ursula Mondt, Joanne Postlewaite, Nancy Striver, and Jane Ann Travis.

Typists: Joyce Vitello and Anna Travis.

Photography: Mr. Clark is faculty adviser of the photography staff which includes Sutton Hamilton and Bob Stein.

The school paper is working closely with our community paper. School activities written by the students are published in the Punxsutawney Spirit. The group handling this is known as the Public Relations Staff.

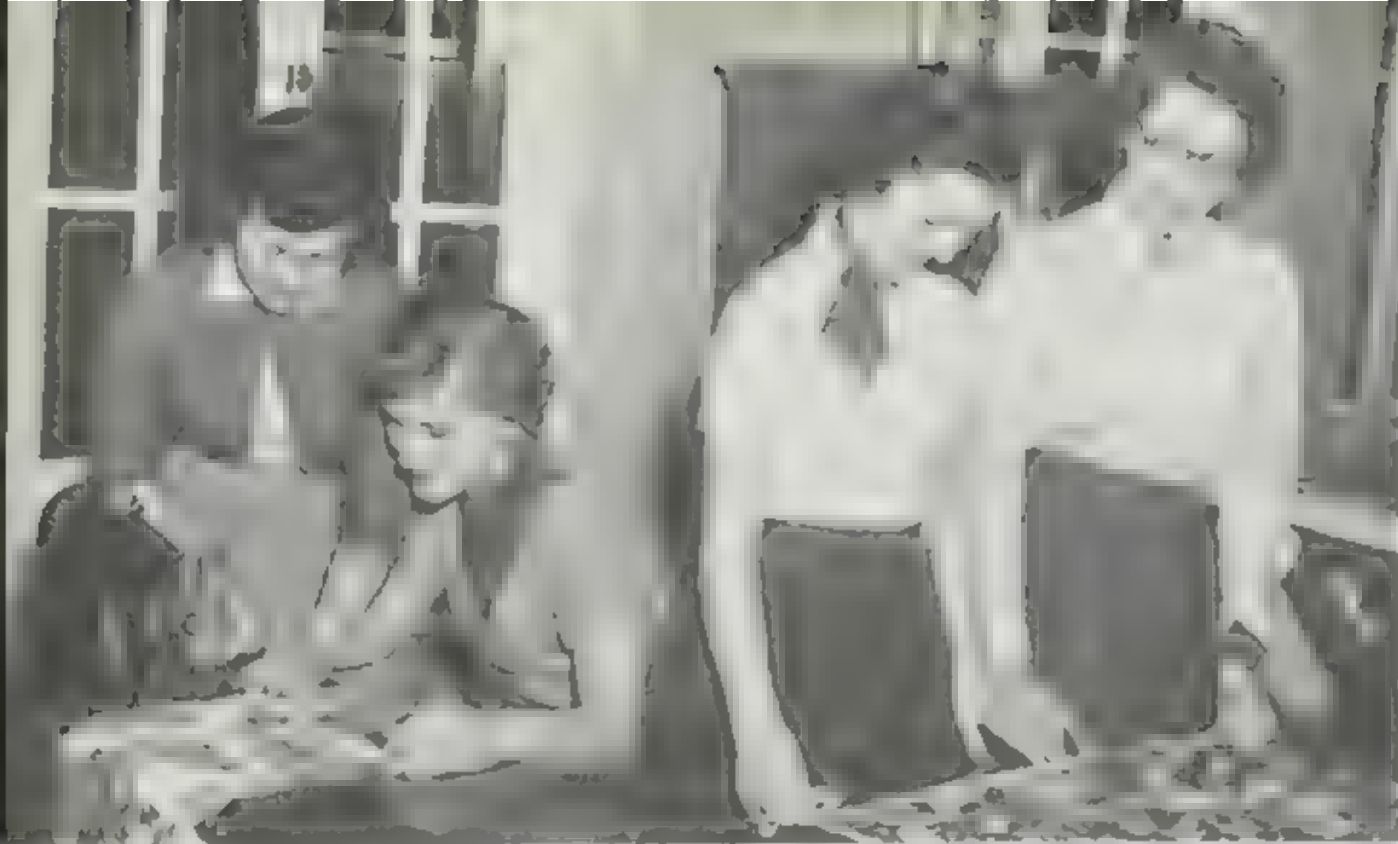

The members of the staff deserve a great deal of praise. Our paper was rated in the second group rating in the annual competition sponsored by the Pennsylvania School Press Association. To this group go our hearty thanks.

The Thespian Society, which was organized 25 years ago, provides the students with entertainment and encourages them to take an interest in dramatics.

This year two one-act plays were presented in assembly. They were: "Mama's Getting Married," directed by Rose B. [unclear] and "The [unclear]" directed by Carol Clark and Frank [unclear]. Both of these highly entertaining comedies were later given over the radio.

"Black Cat," an exciting mystery, was chosen as the three-act play. The superb cast combined with the excellent direction of Sherman Fagley and Shirley Mateer made this play a huge success.

All of the plays were under the general supervision of Miss Patricia DuShaw, the club sponsor.

The officers are: Shirley Mateer, president; Diane Levy, vice president; Mary Ellen Bell, secretary; and Sherman Fagley, treasurer.

Seniors Show Their Talents in

'Dreamland of '53'

"Dreamland of '53" was presented by the seniors in November. The show was successful in earning over \$750 for the M. C. Boles Scholarship Foundation. The class was carrying on the tradition begun by the class of '51 in working for the scholarship fund which enables graduates of P.H.S. to continue their education.

Directors were Donna Guthrie and Ralph Yenzi while Shirley Mateer was in charge of advertising, Shirley Graul of scenery and costumes, and Kay Marshall of tickets. Miss Cokely was faculty sponsor.

The theme was a backward glance over '53's school days. Bill Levv and Bill Zacur as masters of ceremonies kept the performance moving. Talents which had been hidden before were uncovered to the delight of parents, other relatives, and the student body.

The finale represented graduation with the entire class humming behind the curtain as eight speeches were given. The curtain was opened to the strains of the Alma Mater in which the audience joined.

Jack McGee, class president, presented the check to Donald M. Kurtz, a member of the Boles trustees, in an assembly ceremony.

BROOKVILLE

The Chucks opened their 1952 grid campaign with a sweeping 33-0 victory over Brookville. The Chucks showed a fine running attack.

EBENSBURG

The Chucks lost their second encounter to a strong Ebensburg eleven, 13-6. The defense proved to be Punx'y's strong point.

KITTANNING

Punx'y just shaded Kittanning 12-6. It was a real battle to the very end.

INDIANA

Indiana continued their jinx over Punx'y with a score of 19-0

Du Bois

Once again the DuBois game proved to be the outstanding game of the year. The Chucks almost pulled one of the greatest upsets in local football history. The Chucks outplayed the Beavers only to lose 20-12.

The Chucks blew hot and cold all season, also winning over Curwensville and Franklin while losing to Clearfield and Windber.

Yea Red, Yea White,

The Front of the Band

The color guard consists of six girls carrying the United States and school flags, and guns, while two other girls walk along to complete the guard. Kay Marshall is the sergeant and gives commands.

There are three stepping girls who are known as our majorettes. The youngest is Deborah Kromer who is five years old. Sandra Clark is known as the "Veteran" because she has been a majorette for seven years. Edie Anderson is drum major and Jean Albanito is the president.

The flag twirlers are three girls, two juniors and one sophomore, who twirl flags which have the letters P H S on them. Their drills look very colorful when the band performs. Virginia Grindle is the leader.

The cheerleaders are a peppy group who led the students in support of the team. They are headed by Diane Levy. Cheerleaders are the only ones in this group who are chosen by the senior high student body.

Our Cry

This year's Punxs'y team took up the reins of the defending district champs and wound up with a respectable 13-4 record. The Chucks managed to maintain their unblemished home record for the third straight year. The team provided the fans with many thrilling moments, but a few are most memorable.

ALTOONA

The Punxs'y cagers turned in their finest performance of the season by downing a game Altoona squad 51-42.

BROOKVILLE

The Chucks and Raiders battled on even terms until Punxs'y broke the game wide open in the second half to win a walk-away 52-33.

BROOKVILLE

The Red and White quintet found it a little rougher going against the Raiders on the former's home court. The Chucks with the help of Jim Moore's fine shooting, as he hit for 20 points, came from behind to post a decisive 58-48 victory.

CLEARFIELD

The Chucks took the district lead with a 53-41 decision over Clearfield. It marked the Bison's only regular season defeat.

After losing to Clearfield in the regular season, the Chucks were forced into a play-off for the southern section title. As the teams resumed play in the second half, the lead changed hands many times. Then Clearfield flashed down court and with only 20 seconds remaining threw in what proved to be the deciding field goal.
